Southern Hills
THE CHURCH AT CITYSTATION

“So often when we are going through tough times, our first response is to be afraid and doubt. I have always known fear doesn't come from God, but I tried to justify that feeling by saying, “Well, I am human and it is okay to be scared sometimes.” As I started to read Joshua 1:9, I realized that God **commands** us to not be afraid: “This is my command—be strong and courageous! Do not be afraid or discouraged. For the LORD your God is with you wherever you go.” Always remember God commands us to be strong! It isn't advice; it is a command to rely on Him for our strength and courage! We can't do it on our own, but with Him, we can!”
