James 5:16 says, "Confess your sins to each other and pray for each other so that you may be healed. The earnest prayer of a righteous person has great power and produces wonderful results."

One of our core values is "We are Family." But have you ever wondered why? This core teaching at SoHills is the result of the clear importance of community seen within Scripture. We've seen there is power in being with others seeking after the Lord, too. There is power when we are obedient to God together.

We confess our sins in community so that community can pray with God's power over us. "Wonderful results" are produced by both your confession and the prayer of your brothers and sisters in Christ. According to James, healing is found in both the confession and the prayer. Why wouldn't we want that? We have been adopted by God and are now his children. We are Family. Let's start acting like it!
