

THE UNOFFICIAL GUIDE TO HELP YOU BAPTIZE

Hold the microphone close to your mouth and speak loud and clear. When taking their confession, hold the microphone to their mouth so we can hear them.

CONFESSION

_____, I am now going to take your confession, here in front of the church and in the presence of God. Please repeat after me.

I believe...

That Jesus is the Christ...

The Son of the living God...

And I have accepted Him...

As my personal Lord and Savior...

It's on this confession that I'm now going to baptize you in the name of the Father, Son, and Holy Spirit.

NEED SOME DUNKING TIPS?

- **Have the person stand in front of you (closer to the audience) and dunk them sideways.**
- Know if/how the person will hold their nose
- Make sure they know to bend their knees
- Put your hand on the mid back to support and lift
- After you pull them back up, it's a great opportunity to celebrate!
- Someone will pray after the baptism and if there are multiple we will wait until the end.
